KELLY HIGH SCHOOL

KELLY, KANSAS

VOLUME XVIV - MAY 1967

Foreword

As the clock slowly ticks away the hours, the passing of time brings us to the close of our high school days; these days having served as a preparation will remain with us always. It is only fitting that we thank our teachers, our parents, and God for giving us the aid and spiritual guidance to see these days through.

When only a few short years ago we began our academic work the duty to seek and acquire knowledge became ours. Now, as we leave behind our classes we give to all the students to come this same challenge--that of seeking truth and carrying on the spirit of Kelly high.

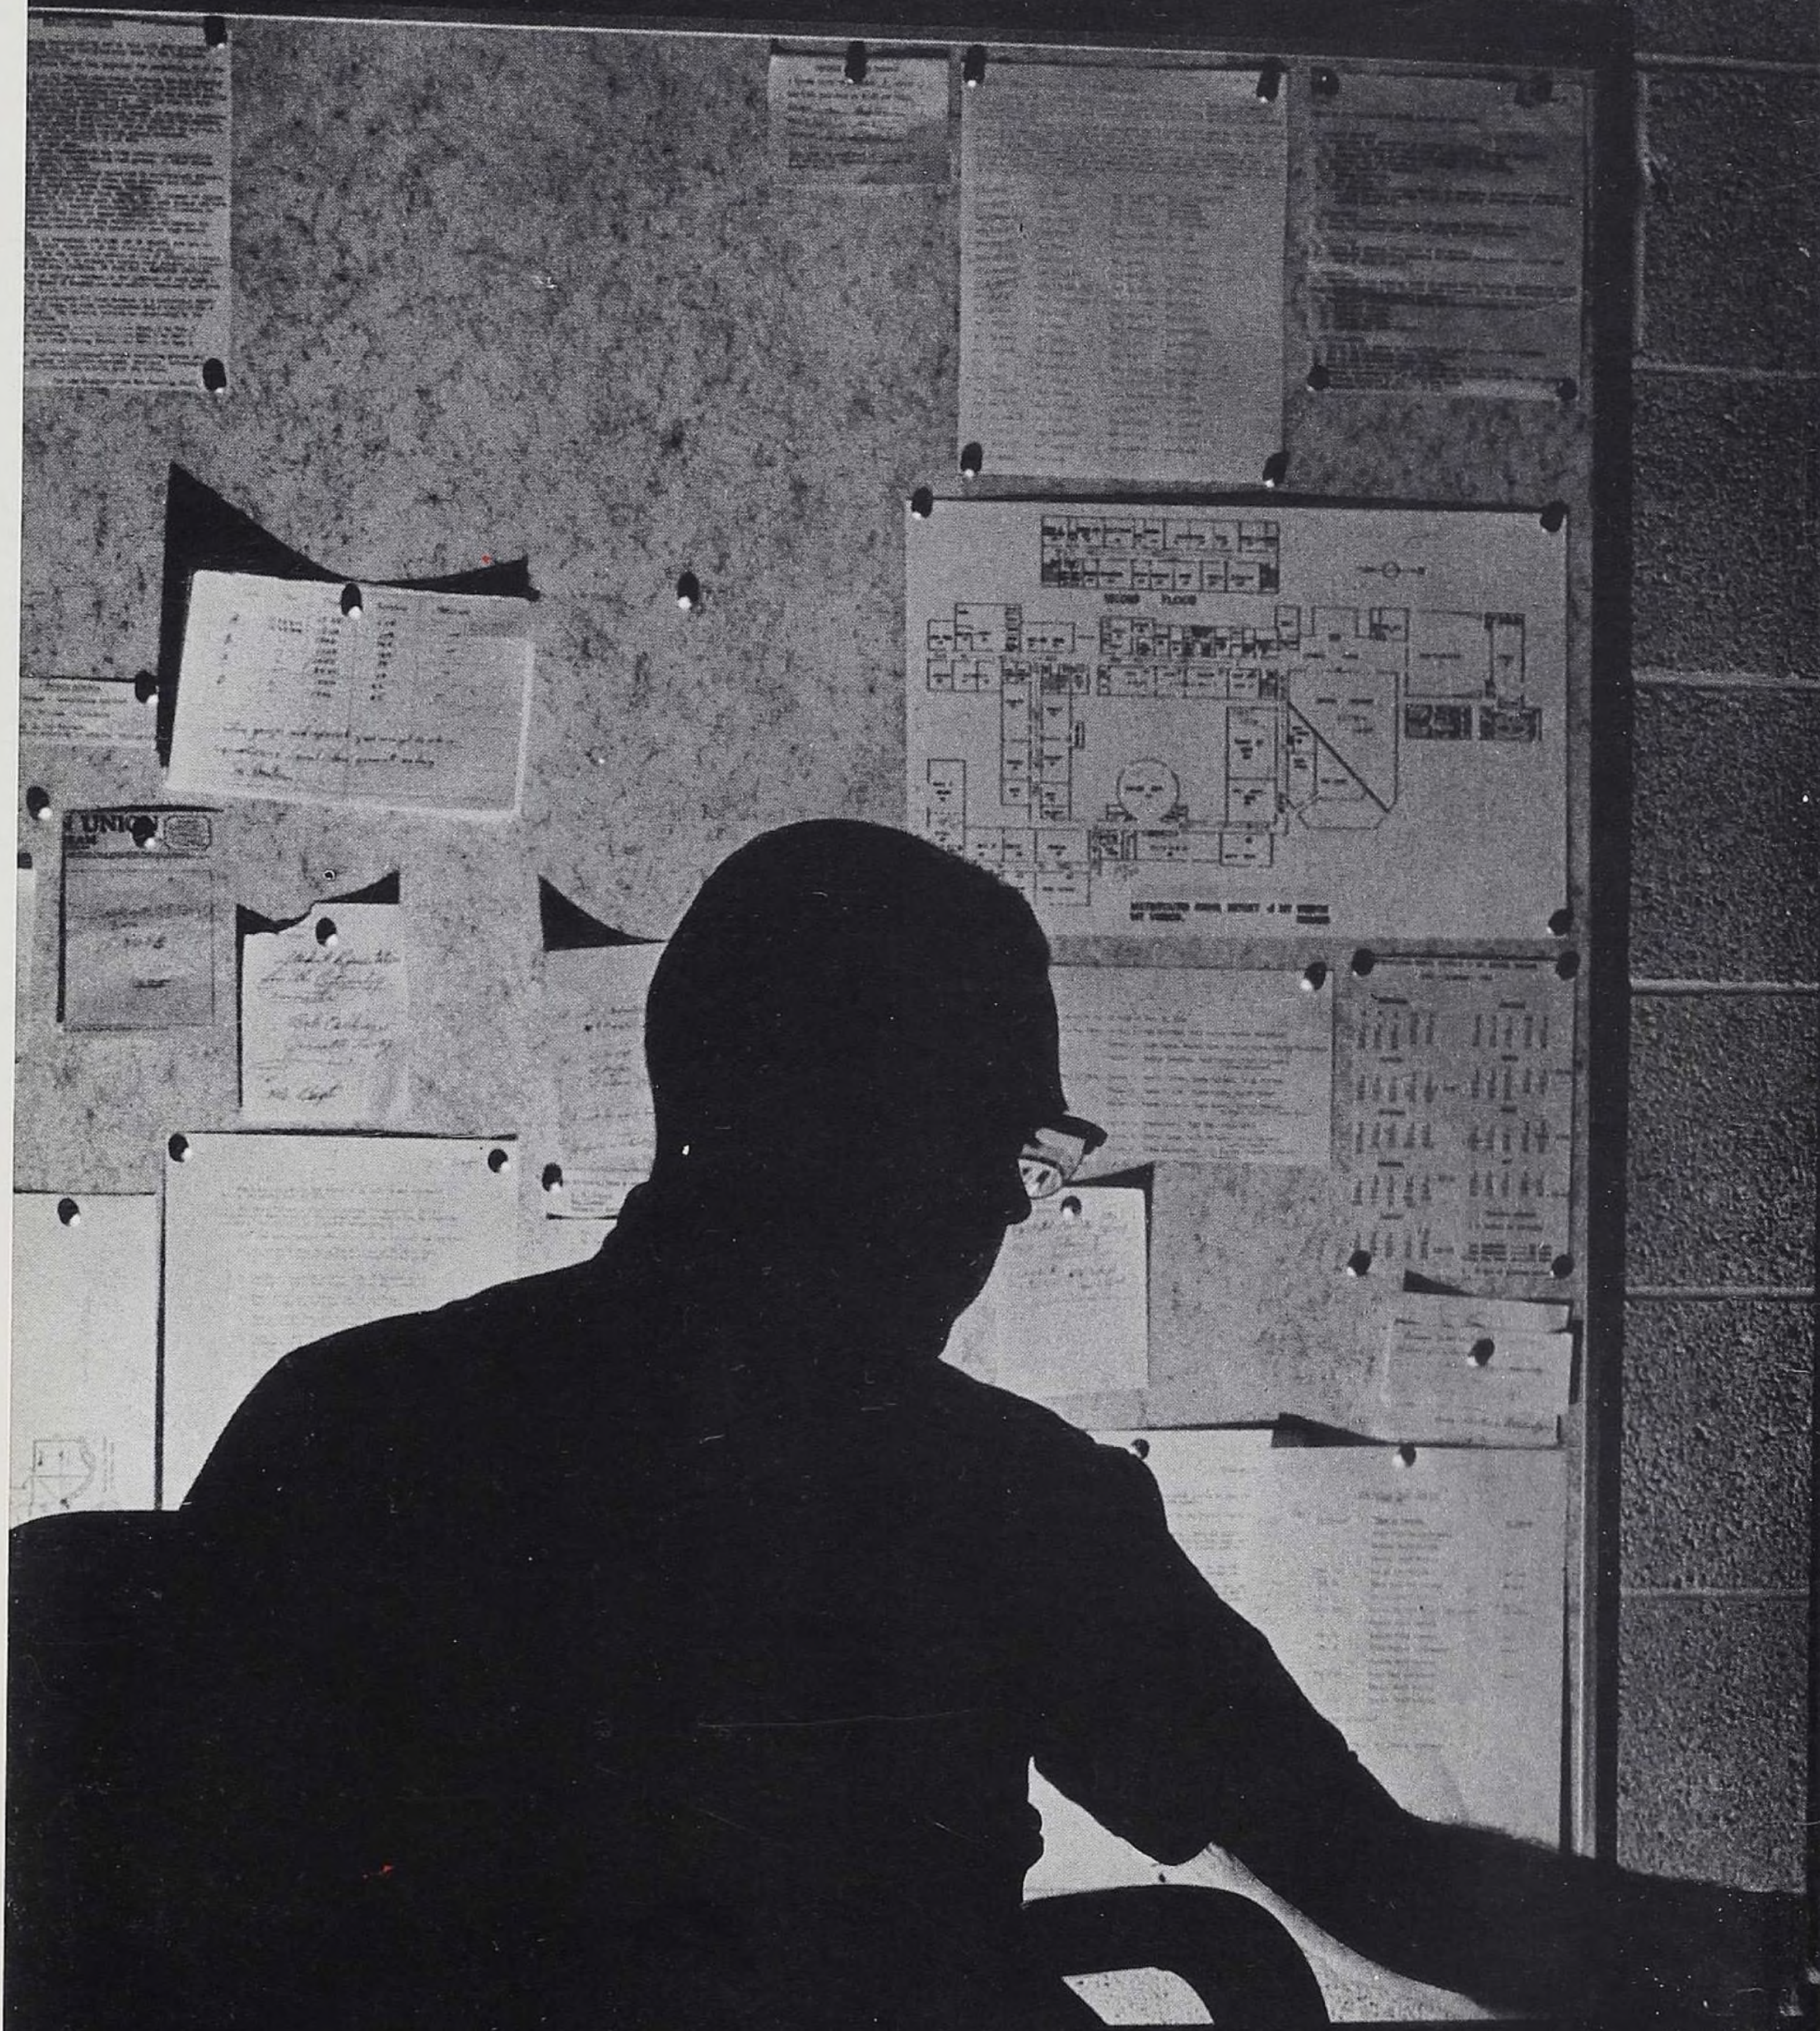

Dedication

We, the graduating class, wish to dedicate the 1967 edition of the Hi-Lites to the former graduates of Kelly high school. To them we owe gratitude for pointing the way to the search for truth, and a living of life in a full Christian sense. They have gone before us and demonstrated what it is to live as a Christian in the twentieth century.

Since we are about to join the ranks as leaders in tomorrow's world we must also search for these truths in our lives that we may fulfill our goals and make the world a better place.
